InIT Lab Resources

Version: 29.02.2024

Planned Maintenance

Maintenance Window
*- **Start:** Monday, **16 February 2026**, from **20:30***
*- **End:** Network availability will be fully restored **by Tuesday, 17 February 2026, 07:00 at the latest***

Service Impact
*During this maintenance window, the **entire InIT lab infrastructure will not be available**. This includes a complete interruption of all incoming and outgoing network connections.*

The following services and environments will be affected:
- All InIT lab environments
- Departement T laboratories

Expected Downtime
*- A **complete network outage** of at least **five minutes** is expected.*
*- The interruption **may last significantly longer**, depending on the progress of the maintenance work.*

Important Notice for Supervisors
*Supervisors of **ongoing labs, Bachelor theses**, and **Master theses** are kindly requested to **inform their students accordingly** and ensure that planned activities take this maintenance window into account.*

*We recommend that all users **plan their work accordingly** and avoid scheduling critical activities during the maintenance window.*

Note

The laboratory resources described here are reserved exclusively for use by members of InIT (CAI) and members of projects, bachelor and master theses supervised by InIT (CAI) staff.
